Re: Naval Weapons Station, Yorktown, Va.
Review of draft final *Background Literature Review for Ecological Investigations*

Dear Ms. Norton:

The U.S. Environmental Protection Agency (EPA) has reviewed the Navy's draft final *Background Literature Review for Ecological Investigations* at the Naval Weapons Station-Yorktown (WPNSTA) NPL facility, along with the Navy's July 12, 1994 response letter to EPA's June 23, 1994 review comments. Based upon that review, EPA has no significant comments to offer on the draft final document. In accordance with the procedures outlined in the draft Federal Facilities Agreement for the WPNSTA (Section 10), the Navy can now finalize the *Background Literature Review for Ecological Investigations* at the WPNSTA.

If you have any questions regarding the above, please feel free to call me at (215) 597-1110,

Sincerely,
